THOUGHT NUGGET #32

By Samuel Koranteng-Pipim, PhD

THIS IS AFRICA

“Instead of raising millionaires and billionaires, we’ve succeeded in producing nillionaires (people with a lot of nothing—people with next to nil.) The richest continent in the world is inhabited by the poorest people on the globe. Mediocrity is the new standard of excellence. PHD means ‘Pull Him Down’ or ‘Pull Her Down.’ We excel at hammering those who stand out. And we clip the wings of our soaring eagles so they can become chickens like us. This IS Africa. The heart of the African problem is the African heart. This heart must be transformed to create the Africa that OUGHT to be. Romans 12:2”—SKP
